

SOUND dimmer aw 0.7

SOUND Dimmer inspired by the night. An exceptionally efficient acoustic absorber (aw 0.7) that combines functional elements such as sound absorption and blocking the light. Just the opposite of the other qualities in the collection, which are translucent. The two sides of the acoustic fabric are equal with a soft touch and a nice plane look. The acoustic curtain blends nicely into any environment.

100% Polyester (FR)

sound absorption aw 0.7

flame retardant B1(DIN 4102)

Opacity dim-out

fabric width 295cm

weight 265gr/m²

shrinkage washing: warp 0.4% / weft 1.4%

shrinkage washing: warp 2.5% / weft 1.5%
